

VOLT CODE

WHAT WE DO

We sell partnerships, not products.

HOW WE DO IT

Transparency

We believe being open and honest beats being deceitfully successful.

Fairness

We believe in the potential of people over the power of profits.

Effort

We are at our best when we are giving our best and we give our best daily.

Teamwork

We believe we can do infinitely more together than we can apart.

Competency

We will become experts in everything we do.

Growth

We focus on long term progress over short term gains.

Integrity

If you live with integrity nothing else matters. If you don't live with integrity nothing else matters.

Respect

We treat everyone with respect. It's as simple as that.
